

International event sponsored by the World Wide Fund for Nature with the purpose of raising awareness to adopt measures regarding climate change and the reduction of CO2 emissions. Peru has been joining this event since 2009, and this year 10 million Peruvians were expected to participate, 18 million people from 5251 cities and villages, of 135 countries, in 7 continents.

Each of us has the power to **CHANGE** our world!

Inkaterra beyond the Hour!

Inkaterra with the collaboration of Inkaterra Association (ITA) joined this worldwide event, delivering guests services under candle lights. At Inkaterra Machu Picchu Pueblo Hotel, children from the Environmental Education Workshop displayed a parade along the hotel and the village carrying a candle each.

Continuing with **Inkaterra's** commitment to the environment, the main office in Lima actively recycles paper wastes. So far this year, 290 kg of paper were donated to the NGO Fundades.
