

EL MAPI

HOTEL MACHU PICCHU

byInkaterra

a new outlook

OVERVIEW

“Smart” and “contemporary” are the defining elements of this hotel. Set in the busy heart of Machu Picchu Pueblo, guests are ideally located to admire, experience and enjoy this quaint village. The hotel’s concept seeks to create a place where our travelers can find efficiency and friendliness. A modern resting environment for guests eager for a visit that promises comfort and calm as they encounter Machu Picchu, one of the New 7 Wonders of the Modern World.

DESIGN

El Mapi's design brings together a blend of, modern, restored and recycled materials. The influences are smart, informal, fanciful, snazzy. The feel is function and a lack of pretension. The hotel offers a cafeteria, bar, business center and a gift shop.

The flowing lobby creates a sense of vitality. Lofty ceilings, panoramic windows and an open café allow natural light to filter between tall eucalyptus dried branches creating an ambience of order and wellbeing.
