AN ORGANIC RETREAT ON PERU'S NORTHERN COAST

Inkaterra Cabo Blanco - Inkaterra is designed in harmony with its pristine desert and untouched shoreline. Stillness, ocean horizons, and the purity of space define this retreat, where simplicity becomes the rarest form of comfort.

Once a legendary fishing village, Cabo Blanco was famous for its world-record marlins, perfect waves, and its place in world literature. Today, it returns as an exclusive sanctuary where the desert meets the sea.
