INKATERRA

RESERVA AMAZÓNICA

TAMBOPATA - PERU

DESCRIPTION

Remote yet accessible by canoe, Inkaterra Reserva Amazónica sits along the meandering Madre de Dios River, offering an immersive experience in one of the world's megadiversity hotspots. Ecotourism activities, rooted in conservation research, include the renowned Inkaterra Canopy Walkway and birding excursions to observe some of the 540 registered bird species. Guests enjoy tropical cuisine infused with Amazonian flavors, while expert local guides provide deep insight into the rainforest's extraordinary biodiversity.

CABAÑAS
