

# THE BEST HOTELS IN THE AMERICAS & CARIBBEAN

Credit: Pierre Carreau

## *Cheval Blanc St-Barth Isle de France, St Barth's*

Your favourite place to stay in THE AMERICAS & CARIBBEAN is the recently revamped **Cheval Blanc St-Barth Isle de**

**France**, which you awarded remarkably high scores for all criteria, including design and service. Elsewhere in the Caribbean, you displayed a hearty appetite for the food at the **Viceroy Anguilla** and the atmosphere at **Parrot**

**Cay by COMO** in the Turks & Caicos, while you reckon the Upper East Side location of **The Carlyle, A Rosewood Hotel** in New York cannot be bettered, even by the jaw-dropping views from the **Post Ranch Inn** in Big Sur, California.
