[Vacation at Peru's Inkaterra Reserva Amazonica, \\$1,000+](#)

This pick is a "give and get" situation. Book a cabana for you and a deserving loved one – think mom, sweetheart, bestie – at Inkaterra Reserva Amazonica and bask in the knowledge that your vacation is helping to protect Peru's biodiversity. The hotel's 15,000 hectare private ecological reserve has registered 540 bird species and captured 3,400,00 tons of carbon emissions, and its ecotourism activities support a 40-year-old non-profit (Inkaterra Asociacion) focused on sustainable development and resource conservation. It's a hotel experience unlike any other: incredible food, restful accommodations, and a moment in nature that will change the way you view the world. - *Amanda Cargill, Food Content Director*
