

## 5 Green and Cozy Places

BY CHRISTINE • 5. JANUARY 2016 • ALLGEMEIN

Especially after the holiday season, we all have ignited one thing in us all: spending more time together. Very fittingly, tomorrow on December 6th is World Cuddle Day! We take you on a trip around the world to some of our favorite cozy places that are, of course, all green as well.

### 1. Bachgut Resort, Austria

For those, who love rustic-chic, should definitely take a look at [Bachgut Resort](#) in Austria. A combination of mountain air and relaxing wood aroma in the rooms, like the photo above, invite you to cuddle up throughout the whole place! A little mountain romance with the views onto Hintertglen are included!

After all your adventures, you can retreat back to Inkaterra Hacienda Urubamba and enjoy cuddly

evenings.

## 2. Inkaterra Hacienda Urubamba, Peru

While there are endless possibilities for adventure sport in the sacred valley of the Incas, afterwards you surely want to relax from all the excitement. Probably one of the reasons, why the rooms at [Inkaterra Hacienda Urubamba](#) are simply divine for relaxation. Spaciously designed, all suites and rooms offer comfy beds with 100% cotton sheets and, of course, a fireplace.

At Haidl-Madl in Bavaria, this comfy reading corner is waiting just for you!

## 3. Haidl-Madl, Germany

For many, to cuddle means one special partner: the book. One loses himself in individual characters and thrilling stories, while the hours simply fly by. [Haidl-Madl](#) could actually be one of those places from your favorite book, but reading all cozied up reaches a whole new level in this comfortable library.

You can experience this breathtaking setting at Misool Eco Resort.

## 4. Misool Eco Resort, Indonesia

Actually, the picture says more than words can say. A divine bed to lay on the large terrace with a panoramic view of the surrounding water can be found at [Misool Eco Resort](#). The sound of the water alone will motivate you to make yourself all cuddly and cozy and listen to the meditating setting.

A true oasis: the pool villa at The Tongsai Bay on Koh Samui. Cuddling beneath the sky!

## 5. The Tongsai Bay, Koh Samui, Thailand

Sleeping beneath the sky – this dream becomes true at [The Tongsai Bay](#) on Koh Samui. Retreat to your personal sleeping space in the fresh air and simply feel good. Wake up to warm sun beams and enjoy the fascinating calmness and serenity.

Where is your favorite place to cuddle up?
