The Best New Hotels in the World: Hot List 2016

Written by CNT Editors April 20, 2016

60 PHOTOS

Our editors vetted hundreds of recently opened hotels and resorts, from West Africa to Miami, and found that what stands out are the properties that combine old-school extravagance and service with just the right measure of modernity. Here are the 60 best new hotels in the world. This article has been updated with the latest Hot List hotels.
