NEW YORK, June 12, 2017 /PRNewswire/ -- Virtuoso®, the international luxury travel network, has revealed the properties and hoteliers in the running for its prestigious Best of the Best awards. This year's 55 contenders in 11 categories were selected by the Virtuoso network and the editors of Virtuoso Life magazine, and represent the crème de la crème of the network's 1,246 hotels, resorts, lodges, spas, luxury camps and villas across more than 100 countries. The Virtuoso Hotels & Resorts program, celebrating its landmark 25th anniversary in 2017, is the industry's longest running and most prestigious, with more five-star properties than any other organization.

"From its inception in 1992 with just 20 hotels, to today's robust total of more than 1,200, Virtuoso Hotels & Resorts has set itself apart in the luxury travel world as a carefully curated collection of the world's finest properties," said Albert Herrera, Virtuoso senior vice president, Global Product Partnerships. "It's this commitment to excellence that has served as the hallmark of our program and it's the reason for both its longevity and resounding respect, both within the industry and, more importantly, with Virtuoso clients. It's important to recognize the program's history because when we name a hotel as a Best of the Best nominee, it is a distinguished recognition of the hotel's place within a longstanding tradition."

Virtuoso's travel advisors will vote for their favorites over the next few weeks. Their winning selections will be revealed during Virtuoso Travel Week's Hotels & Resorts Dinner taking place August 16, 2017, at Bellagio Resort & Casino in Las Vegas.
