Virtuoso “Best Of The Best” awards nominate Inkaterra Machu Picchu Pueblo Hotel

JUL 11 2017

Celebrating its 25th Anniversary in 2017, international luxury travel network Virtuoso® has unveiled the list of nominees to the prestigious Best of the Best Awards.

Inkaterra Machu Picchu Pueblo Hotel stands out as the only Peruvian property among contenders. Running for the Sustainable Tourism Leadership Category, the Inkaterra property in the Andean cloud forest is well-known for managing the Andean Bear Conservation Center in hotel grounds, as well as the world's largest native orchid collection with 372 species.

Inkaterra's commitment to turn Machu Picchu Pueblo into a global model of sustainability is confirmed by a strategic alliance with AJE Group.

The partnership has solved a waste management crisis warned by UNESCO with the donation of a waste-compacting machine, and it is currently developing a biodiesel production plant to avoid oil spills in the Vilcanota River. Winners will be revealed during Virtuoso Travel Week's Hotels & Resorts Dinner taking place August 16 at the Bellagio Resort & Casino in Las Vegas.
