Spa to open at Inkaterra Hacienda Urubamba in 2018

AGO 09 2017

Construction has begun for the new spa at Inkaterra Hacienda Urubamba, set to open in the first quarter of 2018.

The wellness resort will have a 450m^2 area and will feature a sauna and four therapy rooms with spectacular views of the rolling hills and the Inkaterra harvest fields in the Sacred Valley of the Incas, quintessential backdrop for mind and body comfort. 100% natural products will be derived from botanical extracts of the property's organic farm.

Inkaterra Hacienda Urubamba was recipient of Tatler's 2015 Best Authentic Experience Award and was acknowledged by both Travel+Leisure and Condé Nast as one of the world's best new hotels.
