## Summum 2017: Café Inkaterra named Machu Picchu's Best Restaurant

SEP 12 2017

Summum, the prestigious gastronomic award in Peru, acknowledges excellence in food and service through various categories.

In its eighth edition, Summum named Café Inkaterra among Cusco's Top Ten restaurants, as well as the only one based in Machu Picchu Pueblo.

Blending Novo-Andean cuisine and indigenous architecture with a contemporary approach, Café Inkaterra creates an innovative fusion-style environment. Established next to the railway tracks and overlooking the Vilcanota River through picture windows, Café Inkaterra is situated under a traditional palm-thatched roof, decorated with regional crafts and dinnerware designed by Denise Koechlin. Both an experience and a destination, its intimate setting is an ideal place for travelers to unwind after visiting the ancient Machupicchu Citadel.
