It's that time of year again. As soon as the turkey is carved, travel companies start dishing out some of their best deals of the year. Here's a sampling of offers we like that will be available on or before Cyber Monday.

Africa and Asia: Take **30% off select small-group tours** with [andBeyond](#). Starting at \$6,790, tours range from 6 to 13 nights, and include all meals, lodging, transfers, and private tours. Discounted trips include a camping expedition in Botswana, a photography tour of East Africa, and snow leopard-watching in India. This offer is only available on November 27 for departures December, 2017 – April, 2018. A 20% deposit must be made within 14 days of the initial booking.

The Azores: With cheap new flights from the U.S., the verdant Azores, located 900 miles off the coast of Portugal, is positioned to become a hot — and affordable — new getaway for East Coasters. Get there before your friends do — and at a great price — with this Cyber Monday offer from [Azores Getaways](#). For \$499, you'll get flights from Boston, 7 nights of accommodation, and even some meals. Visit the [web site](#) on Cyber Monday to book. (Until then, you'll see the same package listed for \$599.)

Berkeley: The Graduate Hotels have made a name with chic hotels near major college campuses. The [Graduate Berkeley Hotel](#), near the University of California, Berkeley, is offering a 50% off Cyber Weekend deal for stays booked November 24-27. Stay through April 7 and save up to \$150 on your room. (A two-night minimum stay is required.) Round-trip BART tickets are included so you can explore San Francisco. You'll also receive complimentary drinks at the bar.

This offer includes a \$150 spa credit, a \$100 food and beverage credit, and the resort fee (\$35 per night) will be waived. With suites consistently going for more than \$1,000 per night, this deal offers significant savings.

New York City: Take 20% off rooms at the brand new [Moxy Times Square](#) on Cyber Monday. Valid for stays of four nights or more through January 15, this is a great way to save on your next NYC getaway. With this offer, you'll save about \$35 per night.

Book a room at its must-stay hotel, [Quirk Hotel](#), with a deal that takes 30% off current rates. Book November 23-29 and stay December 1, 2017 – December 1, 2018. Use promo code DCYBR17 when booking online, or [follow this link](#).

The hotel's Cyber Monday offering can be booked November 27-29 and includes a 30% savings on partial ocean view rooms. These rooms typically start at \$320 per night, so the rate after the discount would be \$224 per night. Stay November 27, 2017 – February 28, 2018 to take advantage. Follow [this link](#) to book, or use the code CYBER when checking out online.

St. Lucia: Situated on a stunning cove, the [Marigot Bay](#) resort is offering 50% off stays when you book from November 24-27. Travel November 24, 2017 – March 30, 2018 and stay for a minimum of three nights — five during the busiest periods. Note that this travel window includes prime Caribbean vacation season, so if you can stay later in the year when demand is lower, you may score even better prices than those found in this sale.

Turks & Caicos: Save 20% from November 24-27 on stays at the [Turks and Caicos Ocean Club Resort](#). Stay five nights or more January 6 – April 30 to take advantage of this offer. This deal is good for stays at the Ocean Club or Ocean Club West. Both both feature one, two, and three bedroom suites.

Various Destinations: High-end tour operator [Abercrombie & Kent](#) doesn't offer deep discounts on its guided packages very often, which is why we like the [holiday sale](#), which runs November 27 – December 1. The offers take 50% off a selection of the company's private tours, which include private sightseeing for you and your travel companions, private transfers, and daily breakfast. This year's destinations include Machu Picchu, Chile, Botswana, and Thailand. Tours are priced \$1,995-\$4,195 per person — far less than typical private tours — based on double occupancy, and do not include air.
