Mayu Spa to open at Inkaterra Hacienda Urubamba in March

FEB 07 2018

The most recent addition to Inkaterra's spa collection is Mayu ('River' in Quechua), a spiritual and soothing experience amid evergreen mountains.

With a rustic chic design inspired by traditional Andean architecture, Mayu Spa is established on a foothill in-between Inkaterra Hacienda Urubamba's organic orchard and an enchanting peppertree forest. With four private therapy rooms, a gym and a sauna, the new wellness center offers panoramic views of the Sacred Valley.

To be opened by March 2018, Mayu Spa will have treatments with 100% natural products derived from goods nurtured within the property.
