LPMI TRAVEL

Awards 2018

Once again, it's time for the Lonely Planet Magazine India Travel Awards 2018 – a celebration of your discernment when it comes to travel.

We've loved being your inspiration to travel to the best destinations and the coolest experiences through the years, and these awards are a testament to how far we have travelled together.

Our theme for the awards this year is Carnival – a celebration of the colour and vibrancy of festivities around the world – as seen on the pages of this special section and at our awards ceremony this month.

A big thank you to our travel experts who helped us with the difficult task of shortlisting destinations from all the must-travel-to countries in the world, congratulations, of course, to the winners, and the ones who made it the nomination lists, and hats off to you, our readers – you have great taste!
