## Sacred Valley, Peru

Nestled in Peru's Andean highlands, the Sacred Valley comprises gorgeous valley towns like Urubamba and Aguas Calientes, where one travels to ascend Machu Picchu. Understandably, a honeymoon in this unique destination is for those who live to enjoy nature in all its glory. Both [Inkaterra Hacienda Urubamba](#) and [Tambo del Inka](#) are flawless resorts that marry an eco-aware spirit with thrilling activities, cultural traditions and pure luxury. Make sure not to have too many pisco sours—alcohol doesn't exactly help altitude sickness.
