Inkaterra Hacienda Urubamba Opens Mayu Spa in Peru's Sacred Valley

Peru's Sacred Valley of the Incas is now home to the newest Inkaterra organic spa, at the award-winning [Inkaterra Hacienda Urubamba](#). Inspired by the nearby Urubamba river and traditional Andean architecture, the new **Mayu Spa** features a rustic chic design and showcases the picturesque views of the property's organic gardens and peppertree forests.

The spa and wellness center features a plunge pool, four private therapy rooms and a dry sauna to provide a spiritual and soothing experience immersed in the evergreen mountains and harvest fields. All treatments use 100% natural products derived from native medicinal herbs of the region. All of Inkaterra's environmentally conscious spas use natural ingredients found locally on the property.

Services include a range of massage therapies, Andean Stone therapy, reflexology and more.
