INKATERRA NUA SPA

As you may have read in our [September newsletter](#), we are extremely excited to announce that the holistic *Nua Spa* at Inkaterra Hacienda Concepción is now open.

Located in the heart of the Amazon of South-Eastern Peru, between the Tambopata National Reserve and the shores of the Madre de Dios River, you will find Inkaterra Hacienda Concepción. The 25 private cabanas sitting majestically on stilts and a 5-room *casa grande* with high ceilings and a rustic thatched roof provides guests with a stay in the Peruvian Amazon like no other. The newest addition to Inkaterra Hacienda Concepción's unique property is the *Nua* spa, meaning 'Sky' in the native *Ese'Eja* language.

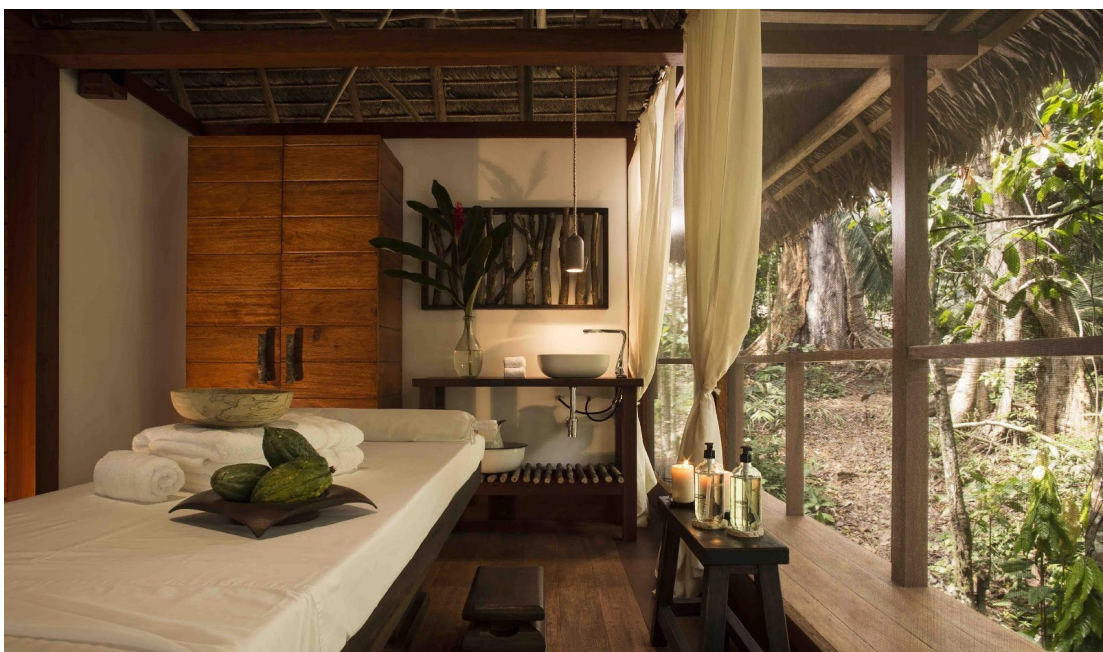

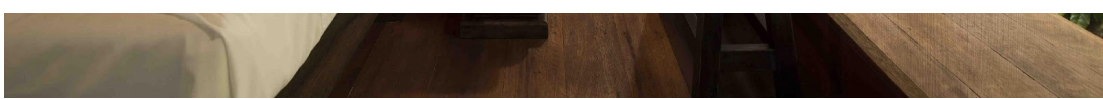

The *Nua Spa* is positioned on stilts at the hotel's entrance offering elevated views of the surrounding Madre de Dios River and Amazon Rainforest. Making it an ideal spot for taking in a breathtaking sunrise or sunset while enjoying special treatments.

Take your pick from a variety of specially designed treatments, from a rhythmic stone massage, with hot or cold river stones bathed in natural oil and placed along the energy points of the body, to the cacao exfoliation which uses cacao fruits from the hotel's plantation to leave the skin feeling rejuvenated. Each *Nua* treatment uses exotic ingredients native to the tropical forest in order to create sensory mystical experiences.

Whether you are searching for intrepid exploration, breathtaking views or looking for remote tranquility, Inkaterra Hacienda Concepción can cater to all your needs, all year round. Find out more about the *Nua Spa*, Inkaterra and Peru by visiting our website www.inkaterra.com.
