Elvis Huari, head of reception for Inkaterra La Casona, talks with Alan Fine of Insider Travel Report about his five-star luxury boutique hotel with just 11 suites. The property was created from a 16th century manor house located in the heart of Cusco near the Plaza de las Nazarenas and is the first member of Relais & Châteaux in Peru. This is the third of a series of four video interviews from a trip made possible by LATAM Airlines, Inkaterra Hotels, Inca Rail, Canatur, Progatur, Municipalidad de Machu Picchu, and Camara de Comercio & Turismo de Machu Picchu. The trip was organized to help Peru attract visitors after the country was rocked by almost daily protests and roadblocks for more than two months in December 2022. Fortunately, those protests have abated so it's now quite safe for travelers to visit the country.
