For all those who love to be immersed in nature, The Golden Scope prepared a list of the most beautiful and best ecolodges in South America.

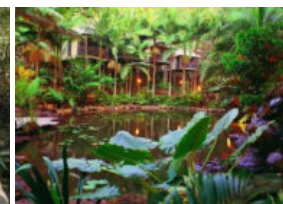

When staying in one of the places mentioned below, it will be like travelling to another planet: no pollution, no city-noises. Just you, your travel partner, the local wildlife and the surrounding greenery.

Anyway, instead of bore you, I will let you see for your self how beautiful and unique the following six hotels are.

Inkaterra Reserva Amazónica, Peru

This remote ecolodge is completely immersed in the Peruvian rainforest. When there it will be possible to go n excursion to discover the jungle and/or relax on in the wooden tree-houses—that would be your rooms—while having a drink and admiring the panorama.
